1 Identification

Product identifier
Trade name: Green Wick, Safe Heat Green
Article number: No other identifiers
CAS Number: 57-55-6

Recommended use and restriction on use
Recommended use: Fuel
Restrictions on use: No relevant information available.

Details of the supplier of the Safety Data Sheet
Manufacturer/Supplier:
Sterno Products
1880 Compton Ave. #101
Corona, CA 92881
Phone: (951) 682-9600

Emergency telephone number:
ChemTel Inc.
(800)255-3924 (North America)
+1 (813)248-0585 (International)

2 Hazard(s) identification

Classification of the substance or mixture
The substance is not classified as hazardous according to the Globally Harmonized System (GHS).

Label elements
GHS label elements Not regulated.
Hazard pictograms: Not regulated.
Signal word: Not regulated.
Hazard statements: Not regulated.
Precautionary statements: Not regulated.

Other hazards There are no other hazards not otherwise classified that have been identified.

3 Composition/information on ingredients

Chemical characterization: Substances
CAS No. Description
57-55-6 Propylene Glycol

4 First-aid measures

Description of first aid measures
After Inhalation: Supply fresh air; consult doctor in case of complaints.
After skin contact:
Generally the product does not irritate the skin.
Wash with soap and water.
After eye contact:
Trade name: Green Wick, Safe Heat Green

Remove contact lenses if worn.
Rinse opened eye for several minutes under running water. If symptoms persist, consult a doctor.

After swallowing:
Rinse out mouth and then drink plenty of water.
If symptoms persist consult doctor.

Most important symptoms and effects, both acute and delayed:
Gastric or intestinal disorders when ingested.

Indication of any immediate medical attention and special treatment needed:
No relevant information available.

5 Fire-fighting measures

Extinguishing media
Suitable extinguishing agents:
CO2, extinguishing powder or water spray. Fight larger fires with water spray.

For safety reasons unsuitable extinguishing agents: None.

Special hazards arising from the substance or mixture
In case of fire, the following can be released:
Carbon monoxide (CO)

Advice for firefighters
Protective equipment:
Wear self-contained respiratory protective device.
Wear fully protective suit.

Additional information: Cool endangered receptacles with water spray.

6 Accidental release measures

Personal precautions, protective equipment and emergency procedures
Product forms slippery surface when combined with water.
Ensure adequate ventilation.

Environmental precautions
Do not allow undiluted product or large quantities of it to reach ground water, water course or sewage system.

Methods and material for containment and cleaning up
Absorb with liquid-binding material (sand, diatomite, acid binders, universal binders, sawdust).
Clean the affected area carefully; suitable cleaners are:
Warm water and cleansing agent

Reference to other sections
See Section 7 for information on safe handling.
See Section 8 for information on personal protection equipment.
See Section 13 for disposal information.

7 Handling and storage

Handling
Precautions for safe handling:
No special precautions are necessary if used correctly.
Trade name: Green Wick, Safe Heat Green

Use only in well ventilated areas.

**Information about protection against explosions and fires:** Protect from heat.

**Conditions for safe storage, including any incompatibilities**

- Requirements to be met by storerooms and receptacles: Store in a cool location.
- Information about storage in one common storage facility:
  - Store away from oxidizing agents.
  - Store away from foodstuffs.
  - Protect from humidity and water.
- **Further information about storage conditions:** This product is hygroscopic.
- **Specific end use(s)** No relevant information available.

---

**8 Exposure controls/personal protection**

**Control parameters**

<table>
<thead>
<tr>
<th>Components with limit values that require monitoring at the workplace:</th>

</tr>
</tbody>
</table>

**Exposure controls**

- **General protective and hygienic measures:**
  - Keep away from foodstuffs, beverages and feed.
  - Wash hands before breaks and at the end of work.
- **Engineering controls:** No relevant information available.
- **Breathing equipment:** Not necessary if room is well-ventilated.
- **Protection of hands:**
  - Not required under normal conditions of use.
  - Protection may be required for spills.
- **Eye protection:** Follow relevant national guidelines concerning the use of protective eyewear.
- **Body protection:** Protective work clothing

**Limitation and supervision of exposure into the environment**

No special requirements.

**Risk management measures**

See Section 7 for additional information.

---

**9 Physical and chemical properties**

**Information on basic physical and chemical properties**

- **Appearance:**
  - **Form:** Oily
  - **Color:** Colorless
  - **Odor:** Nearly odorless
  - **Odor threshold:** Not determined.
- **pH-value:** Not applicable.
- **Melting point/Melting range:** -68 °C (-90.4 °F)
- **Boiling point/Boiling range:** 187 °C (368.6 °F)

(Cont’d. on page 4)

### 10 Stability and reactivity

**Reactivity:** No relevant information available.  
**Chemical stability:**  
**Thermal decomposition / conditions to be avoided:** No decomposition if used according to specifications.  
**Possibility of hazardous reactions** Reacts with strong oxidizing agents. Reacts with strong acids.  
**Conditions to avoid** No relevant information available.  
**Incompatible materials** No relevant information available.  
**Hazardous decomposition products** Carbon monoxide and carbon dioxide

### 11 Toxicological information

**Information on toxicological effects**  
**Acute toxicity:**  
**LD/LC50 values that are relevant for classification:** (Cont’d. on page 5)
Trade name: Green Wick, Safe Heat Green

**Primary irritant effect:**
- **On the skin:** May cause drying of the skin.
- **On the eye:** Based on available data, the classification criteria are not met.
- **Sensitization:** Based on available data, the classification criteria are not met.

**IARC (International Agency for Research on Cancer):**
- Substance is not listed.

**NTP (National Toxicology Program):**
- Substance is not listed.

**OSHA-Ca (Occupational Safety & Health Administration):**
- Substance is not listed.

**Probable route(s) of exposure:**
- Ingestion.
- Inhalation.
- Eye contact.
- Skin contact.

**Repeated dose toxicity:** No relevant information available.

**Germ cell mutagenicity:** Based on available data, the classification criteria are not met.

**Carcinogenicity:** Based on available data, the classification criteria are not met.

**Reproductive toxicity:** Based on available data, the classification criteria are not met.

**STOT-single exposure:** Based on available data, the classification criteria are not met.

**STOT-repeated exposure:** Based on available data, the classification criteria are not met.

**Aspiration hazard:** Based on available data, the classification criteria are not met.

**12 Ecological information**

**Toxicity**
- **Aquatic toxicity** No relevant information available.

**Persistence and degradability** Biodegradable.

**Bioaccumulative potential:** Non significant accumulation in organisms

**Mobility in soil:** No relevant information available.

**Additional ecological information**

**General notes:**
- Do not allow undiluted product or large quantities of it to reach ground water, water course or sewage system.

**Other adverse effects** No relevant information available.

**13 Disposal considerations**

**Waste treatment methods**

**Recommendation:**
- Smaller quantities can be disposed of with household waste.
- Can be burned with household garbage after consulting with the waste disposal facility operator and the
Trade name: Green Wick, Safe Heat Green

(Cont'd. of page 5)

pertinent authorities and adhering to the necessary technical regulations. The user of this material has the responsibility to dispose of unused material, residues and containers in compliance with all relevant local, state and federal laws and regulations regarding treatment, storage and disposal for hazardous and nonhazardous wastes.

Uncleaned packagings
Recommendation: Disposal must be made according to official regulations.
Recommended cleansing agent: Water, if necessary with cleansing agents.

15 Regulatory information

Safety, health and environmental regulations/legislation specific for the substance or mixture
United States (USA)
SARA

Section 302 (extremely hazardous substances):
Substance is not listed.

Section 355 (extremely hazardous substances):
Substance is not listed.

Section 313 (Specific toxic chemical listings):
Substance is not listed.

TSCA (Toxic Substances Control Act)
Substance is listed

(Cont'd. on page 7)
Trade name: Green Wick, Safe Heat Green

### Proposition 65 (California)

#### Chemicals known to cause cancer:
Substance is not listed.

#### Chemicals known to cause developmental toxicity for females:
Substance is not listed.

#### Chemicals known to cause developmental toxicity for males:
Substance is not listed.

#### Chemicals known to cause developmental toxicity:
Substance is not listed.

#### EPA (Environmental Protection Agency): Substances not listed.

#### IARC (International Agency for Research on Cancer): Substances not listed.

#### Canadian Domestic Substances List (DSL): Substances not listed.

### 16 Other information

This information is based on our present knowledge. However, this shall not constitute a guarantee for any specific product features and shall not establish a legally valid contractual relationship.
